

PANDI SERVICES J&K Brons, part of the bMC GROUP, is looking to hear from interesting candidates for a position based in either our Hamburg or Bremen office. PANDI SERVICES is a well-established claims handling facility with a long record of service for the Marine Insurance industry, including P&I Clubs, H&M Underwriters, Ship Owners, Logistics Service Providers and Cruise Vessel Operators.

We are seeking an energetic, self-motivated, and flexible individual with an open-minded and service-oriented approach. We would be interested to hear from candidates with previous experience of the Marine Insurance sector. Candidates have acquired in-depth knowledge and experience in international transport and claims handling, for example, when working in the insurance department of a shipping company, a freight forwarder, or as a loss manager with an insurer or broker. Legal or nautical experience is a plus. German speaking and fluent English as well as a high written standard of both is a must. The ability to attract, develop and retain new business would be advantageous. The position can at times involve travel to work sites. The ability to adapt to changes in the anticipated work scope and the willingness to work after hours and at weekends on occasions is important.

In return a committed and motivated individual can expect to receive a competitive remuneration package and a flexible working approach including home working when suitable. Part-time work is possible. In addition, we offer an interesting and varied work environment as part of a growing, dynamic, and ambitious group of companies. We offer a variety of tasks that you solve independently taking into account the economic interests of the involved parties in agreement with our clients. For this, you often rely on experts and lawyers in Germany and abroad. Occasionally, you represent the interests also at the place of damage and in negotiations. Your training is important to us.

If you think that this sounds like you then get in touch. Send an email including your CV to
